Resident Newsletter

December 2015

From Antoinette Hall, General Manager, Eureka Tower

Dear Residents.

As the year draws to a close we focus on end of year festivities with our children, grandchildren and families near and far.

As always, key staff will be available for Eureka Tower residents, owners and visitors to the building during the festive season.

In 2016, we look forward to the commencement of a variety of projects, a strategic approach to building security and the possibility of some building upgrades. The Eureka Tower Committee of Management are extremely dedicated to ensuring safety to all those who reside at Eureka Tower as well as adding value to the building

All the very best for the year ahead.

Salvation Army Christmas Appeal

The Eureka Tower foyer has been transformed into one with a festive spirit as well as a caring spirit with the Salvation Army Christmas Appeal once again located in the foyer. A reminder that not everyone is as fortunate.

Christmas Appeal boxes located near the tree quickly filled up with 4 boxes of beautiful gifts for the children and 2 boxes of all different types of food.

Many families rely on the Salvation Army to provide them with the necessities of life throughout the year. The Salvation Army Christmas appeal assists in providing many less fortunate people the ability to have food on the table and create a sparkle in the eyes of many children in Australia at Christmas time.

When the two gentlemen came from the Salvation Army in their truck, to pick up the boxes provided by Eureka Tower residents, they were excited and extremely grateful for the thought and generosity of the gifts provided.

On behalf of the Salvation Army, thank you to all who donated.

Foyer Christmas Tree

Once again, Santa's little helpers were busy decorating the main foyer with a lovely Christmas tree.

It's great to see the smiles on young faces when they are involved in such a special event.
