

From Antoinette Hall, General Manager, Eureka Tower

Its cold. In the midst of winter, I hope you are all trying to stay warm and healthy. For those of you who were lucky enough to get away during the last few months—hope it was somewhere warmer than Melbourne—or the ski fields—which are absolutely full of snow and look amazing.

Some great things happening around Melbourne—so even though its cold—try checking some out.

Building security

Everyone needs to understand that even though the security at Eureka Tower is tight, there may still be people who can sometimes get into the building without authority.

It is the responsibility of all to advise Concierge as soon as possible if a key, fob or remote is lost, missing or stolen. Management is able to immediately deactivate any reported access passes and garage remotes. **Please DO NOT leave any valuables or keys/remotes inside your vehicles.**

Gym Etiquette

It is important that everyone using the gym and pool facilities follow the rules in place, continue to be mindful of your surroundings and respect fellow residents.

Please make sure you wipe down ALL equipment you use, as you use it.

All residents have the right to enjoy the wonderful facilities Eureka Tower has on offer. It is a place to exercise, relax and take your mind off the day's stresses.

Hard waste

Eureka has a scheduled hard waste council collection on the 1st and 3rd Friday of each month.

Residents can utilise this service by **booking the goods lift for the Thursday** before the pick up day, to bring their hard waste items down and out to Cook Street.

Accepted hard waste items include large household white goods, electrical appliances, furniture, mattresses, toys, and pottery.

Bookings are essential and require 48 hours' notice. To book or for more information, please contact the Loading Dock loadingdock@eurekatower.com.au or phone: 9685 0116.

Eureka Notice Board

Our Eureka Living website has a designated Noticeboard where residents can find storage rooms and car spaces for rent, pet sitting, art by resident artists, in building furniture for sale and much more!

If you would like to advertise on our resident noticeboard, please send your advertisement to Concierge. Its free!

www.eurekaliving.com.au/residents-noticeboard

Reminder Towing

A Vehicle was recently towed due to illegal parking. Recovery of the vehicle was expensive.

If you need an additional car parking space we recommend you lease one. Concierge can check what is available for lease.

Residents have the right to get a vehicle towed without notifying the Eureka Tower Building Management team.

E-waste

Did you know Eureka Tower has an e-waste bin available for residents to dispose of their old electronic equipment.

E-waste accepts old computers, small TV's, printers, DVD players, phones, batteries and small household appliances.

Small items can be brought through to the loading dock or Concierge any day for disposal.

Once again, to bring down any big E-waste items, you must book the loading dock.

loadingdock@eurekatower.com.au or phone: 9685 0116.

YUM—Ice Cream Testing

For all those ice-cream lovers out there, one of our owners is looking for volunteers to taste-test her ice-cream brand—**ELATO**— whilst being filmed for social media.

Tastings are being held on Friday 15th or Saturday 16th July from 10:00am to 4:00pm

**And you get to take
the ice-cream home!!**

If you are interested in participating, please phone Roz for more information on: 0409 187 644.

Collision in Eureka Tower car park

We recently had two vehicles collide in the Eureka Tower car park. This has occurred before. Yellow lines have been put in place, speed bumps etc., to try and slow down vehicles, however there are some that continue to ignore.

Recently we had two vehicles collide. Luckily no-one was hurt, however damage to the vehicles was severe.

PLEASE DO NOT SPEED in the car park and keep to your side of the lane.
