

# EVENT NOTIFICATION - RUN MELBOURNE

Dear Resident,

We are writing to inform you of **RUN MELBOURNE**, to be held on **Sunday 13 July**. Run Melbourne is a community health, & fitness event, which includes a Half Marathon, 10km run and 5.5km run/walk.

The assembly area is on Batman Ave. We expect approx. 27,000 participants and are hoping to raise over \$1.5 million for over 300 charities. The first race starts at 6.20 am and the last participants are expected to finish by 12.30 pm.

There will be several entertainment zones around the event course that will include low-level music which will be in operation from 6.30am - 12:00 pm. Batman Avenue will have PA-announcements to runners from 6.00 am. All sound will be monitored and kept to below 55 decibels.

We are currently working with City of Melbourne, Victoria Police, VIC Roads, Yarra Trams, Public Transport Victoria, City Link and other key stakeholders to ensure the smooth running of the event.

Road closure and event information can be confirmed by calling Sole Motive on 1300 762 241 prior to the event or over the Event Weekend on 0460 445 644 or email Aydn Finlay at a.finlay@solemotive.com
